

APPLICATION FOR NON-STANDARD WATER UTILITY SERVICE

_____ (“Applicant”) requests non-standard water utility service from Rockett Special Utility District (“District”) to property located inside the District’s state-certificated service area (“CCN”). Applicant understands and agrees that retail water utility service will only be available under the terms and conditions of District’s rate order, the regulations of the Texas Commission on Environmental Quality (“TCEQ”), the Texas Water Code and the Texas Health & Safety Code, and applicable state and federal laws and regulations.

By signing and submitting this application for non-standard retail water utility service, Applicant declares that Applicant is the owner of the property requesting service or a developer with legal contractual rights to develop the property. If Applicant is not the landowner or developer, Applicant must have written legal authority to make this application and to bind the landowner/developer to the terms of any resulting service contract. [Attach copy of sworn power of attorney]

The information solicited below shall be the minimum information required for Applicant to initiate non-standard service to the property. Applicant shall also be required to timely provide any additional information required by the District and/or its designated consulting engineers to evaluate the service request, its effects on the District’s existing water system and customers and any additional service capacities that might need to be developed to fulfill this request.

This is only an application for non-standard service. Rockett Special Utility District is not obligated to provide service until the application has been evaluated and a final Non-Standard Contract has been executed by all necessary parties.
